Stampin' Up! Papercrafting kits from Tami White

Either way you'll love keeping count of the days remaining using this Halloween Holiday Countdown! Add photos of your favorite goblins or clever Halloween quotes to make the countdown even more personal. Once you've counted down to Halloween and the ghosts and goblins have slipped away, you can store it away for next year. You will find that you can use this template to re-create this project and variations of this project in many colors, themes and styles for any occasion or holiday.
