From the Crypt – Halloween Set Tutorial

Order these supplies at:
www.StampWithTami.com

Step 1.

Using **Fancy Favor box die (115965)**, sandwich both

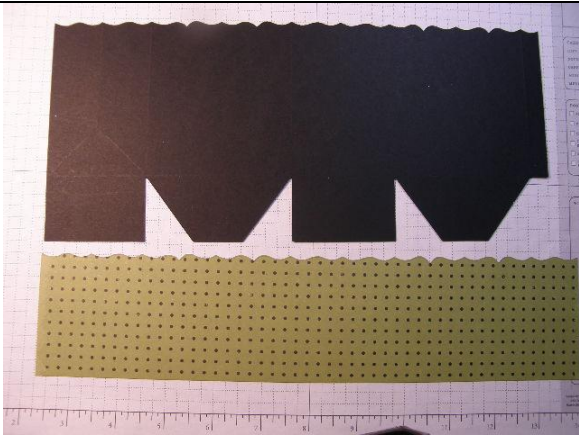

Basic Black card stock and 3"x12" strip of **Wicked Fun Specialty DP (117400)** in between 2 extended cutting pads (113478) and run through Big Shot die cut machine (113439).

Be sure **Wicked Fun** strip is lined up with the top of the die so it cuts the scallop border.

Step 2.

Your finished cuts should look like this. Use bone folder to reinforce the folds on each.

Step 3.

Stamp skull from “**From the Crypt**” stamp set (115460) in Versamark Ink (102283), on front box side of **Wicked Fun DP**.

Order these supplies at:
www.StampWithTami.com

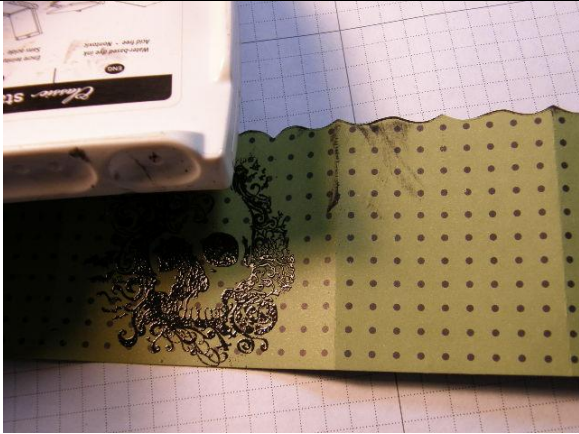

Step 4.

Pour black emboss powder of the top of the image. Flick off extra.

Step 5.

Using your heat tool, emboss the image.

Step 6.

Using Black Classic ink pad direct to paper, rub across top and bottom of the entire DP (or sponge). Repeat this step with White Craft ink pad.

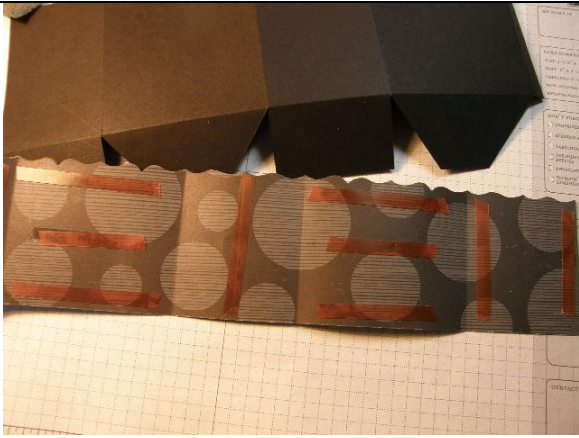

Step 7.

Using a sponge wedge and Whisper White ink page, sponge white over the image. Be sure to outside of the image.

Wipe excess off image with tissue. To make image pop even more heat for a second w/ heat tool (note: be careful not to heat too long or emboss powder will flatten)

Order these supplies at:
www.StampWithTami.com

Step 8.

Attach **Wicked Fun DP** to the black box base using Sticky Strip adhesive.

Step 9.

Using **Paper Piercer (116631)** and Mat () poke a hole for your brad.

Step 10.

Punch **1 3/4" circle** out of **Black Waffle Paper (120985 - holiday mini catalog)**.

Order these supplies at:
www.StampWithTami.com

Step 11.

Pinch the center of the waffle paper circle from the back to scrunch.

Step 12.

Attach **Antique Brad** (117273) through center of crumpled waffle paper.

Step 13.

Using the **Bitty Bat Punch** (119279) punch a bat out of **Basic Black** and **Rich Razzleberry** card stock.

Step 14.

Using Snail Adhesive attach black bat on top of razzleberry and attach to box with Stampin' Dimensionals.

Step 15.

Assemble box and Voila!

Step 16.
