Instructions:

This card starts with a Lovely Lipstick card base (5 1/2" x 8 1/2" scored and folded at 4 1/4"). Emboss a Mossy Meadow panel (4" x 5 1/4") using the Tufted Dynamic embossing folder. Cut out two large and two small circles from a piece of Lovely Lipstick card stock using the Stitched Labels Framelits Dies.

Cut a piece of Silver Foil to about 4" x 5 1/2" and adhere to a Multipurpose Adhesive Sheet. Using the Seasonal Layers Thinlits Dies, cut out one branch, one large snowflake, two medium snowflakes, and three small snowflakes from the Silver Foil. If you don't have the Multipurpose Adhesive Sheets, the fine tip glue pen can be used to adhere the branch and snowflakes.

Peel off backing and adhere branch to tufted Mossy Meadow panel from the upper left corner slanting down. Peel off backing and adhere the two medium snowflakes to the two large Lovely Lipstick circles and two small snowflakes to the two small circles. Adhere the circles with snowflakes around the branch on the card leaving room for your sentiment in the lower right corner. Adhere decorated tufted panel to card front. Stamp the sentiment "may your christmas sparkle with joy and happiness" from Christmas Pines stamp set onto Whisper White and die cut with the Stitched Label die. Using dimensionals, adhere to card front. Loop some silver twine and secure with a mini glue dot just under the sentiment label.

For the inside, adhere the Mossy Meadow panel (4" x 5 1/4") to the Lovely Lipstick card base. Stamp a Whisper White panel (3 3/4" x 5") with the sentiment "Christmas Blessings" from Christmas Pines. Peel off the backing and adhere the largest snowflake to the bottom left corner and the smallest snowflake to the top right corner of the Whisper White panel. Adhere the Whisper White panel to the Mossy Meadow panel on the inside of the card.
