INSTRUCTIONS:

- Stamp the words in Versamark, pour white emboss powder over and heat.
Note: I used the retired Create with Friends stamps for the words.
I've subbed the Celebrate Sunflowers stamps that also have a nice "Celebrate".
You can use any words.
- Cut the words out with Paper Snips.
- Line up the Striped Pattern Designer Series Paper top and box base and cut the Basic Border edgelit die.
Note do not attach these 2 pieces until after the edge is cut.
- Attach the designer series paper to the box panels with Seal Adhesive.
- Use the Bone Folder to loosen the fibers and round the box top.
- Assemble the box with Seal+ Adhesive.
- Using the piercing end of the Take Your Pick Tool, punch a hole and attach the brads to the handle and the sequin on the front flap.
