STAMPIN' UP! TREE RINGS HYBRID FOLDER

Adorable snowman card created with the Stampin' Up Tree Rings Hybrid Embossing Folder.
See my video short and photos below for tips with the folder and dies.

MEASUREMENTS

- Soft Succulent Card base: 8-1/2" x 5-1/2" scored in half
- Copper Foil: 5-1/4" x 4" x 2 (Outside and Inside)
- Designer Series Paper: 5" x 3-3/4"
- Basic White: 5" x 3-3/4" (Inside)
- Pumpkin Pie: 1/2" x 1/4" to cut carrot nose
- Scraps: Basic White & Soft Suede for rings. Early Espresso for branch arms.

INSTRUCTIONS

- Place the Tree Ring Fold open and flat on the table.
- Line up and place the rings die cutting side up in the top of the folder.
- Place Basic White on top of the die, close the folder and hold tight so the dies don't shift. Then run through the die cut machine.
- Repeat the above steps with the Soft Suede, but this time add the smaller ring dies inside the larger die.
- Attach Adhesive Sheet to the Early Espresso scrap and cut out 2 branch and leaves dies.
- Use Paper Snips to cut off the leaves and to cut a triangle carrot nose from the Pumpkin Pie.
- Use the Sponge Dauber to sponge Soft Suede ink to the inside and outer rings.
- Assemble the card with Seal Adhesive and Stampin' Dimensionals.
- Attach Classic Dots.
