

#### MEASUREMENTS

- Night of Navy Card Base: 8-1/2" x 5-1/2" scored in half
- Distressed Gold: 5-1/4" x 4"
- Basic Black: 5-1/8" x 3-7/8"
- Stars Designer Series Paper: 5" x 3-3/4"
- Shimmery White: 4-3/4" x 3-1/2"
- Scraps: Vellum

#### INSTRUCTIONS

- Using Versamark, stamp the words slightly to the right of the center of the Shimmery White and heat emboss.
- Using the Stampin' Cut & Emboss Machine cut:
  - The lantern out of the center of the Distressed Gold panel (it will be covered with the Shimmery White upon assembly).
  - The center of the designer series paper with the 4th smallest Stitched Rectangle die.
- For the Vellum there wasn't a die so I handcut the piece to give the appearance of "frosted glass". I did this by tracing the die with a pencil and trimming it down manually to fit behind the lantern.
- Assemble the card with Seal Adhesive. Use the Black Dimensionals on the stars DSP frame and lantern.
- Attach the Metallic Dots.
