Pull Up Card Tutorial

This is a fun card with a little surprise inside the kangaroo pouch. Pull up the hearts for a secret message "love your much". This card was a catalog "CASE" that I'd wanted to share it sooner but other fun projects always bumped it from posting. Now sadly it's retiring I wanted to make sure I shared it with you before it's gone. A few of the products used on the card have since retired so I've included subs for them:

- Calypso Coral Ribbon - Sub Flirty Flamingo Gold Metallic Ribbon (and use Flirty Flamingo card Stock for the words)
- Stitched Shapes Circle die - Sub Layering circle die

CARD CUTS:

- Petal Pink Card Base - 8 ½" x 5 ½", score and fold at 4 ¼"
- In Good Taste DSP – 5 ¼" x 4"
- Scraps of Forever Greenery DSP, Basic White, Calypso Coral (or Flirty Flamingo), Old Olive and Soft Seafoam card stock

INSTRUCTIONS:

- Stamp the following pieces:
 - Basic White cardstock: Kangaroo & hearts images in black & words "love you so much" in either Calypso Coral or Flirty Flamingo ink
 - Old Olive cardstock: 2 leaves images in Old Olive ink
 - Soft Seafoam cardstock: 2 leaves images in Soft Seafoam ink
- Stamp the words "Hoping by just to say hi" in Versamark on either Calypso Coral or Flirty Flamingo cardstock
- Pour white emboss powder over the words and heat with heat tool
- Color the kangaroo and heart images with Stampin' Blends markers
- Using the Stampin' Cut & Emboss machine die cut the following:
 - The kangaroo image

The hearts image
 (4) leaves images
 The words "love you much" with the flower wrapper die
 Cut a circle from the DSP with the Layering Circles dies.

- Adhere Snail Adhesive to the back of the Kangaroo image and attach the gold cord and ribbon
- Attach the 4 leaves images to the back of the circle panel with Seal Adhesive
- Attach the Kangaroo image with ribbon and cord to the circle panel with Stampin' Dimensionals
- Cut the words with Paper Snips and attach to the circle with Seal Adhesive
- Attach the wood DSP to the card base with Seal Adhesive, then attach the circle panel with Stampin' Dimensionals
- Attach embellishments
