Frayed Grosgrain Ribbon. Cut one end straight across. Pull threads to unravel the entire ribbon. The long threads that make the length of the ribbon will remain. Wrap the threads loosely around several fingers and press into the Stampin' SEAL. Don't worry about being perfect, a bit random and unraveled lo makes this look the best!

- Layer circles with Stampin' SEAL and adhere to card with Stampin' Dimensionals.
- Use Multipurpose Liquid Glue to adhere stars and ornaments to trees. Add several of the gold Brushed Metallic Adhesive Dots around the card.

## OPTIONAL ENVELOPE:

Create a coordinating envelope using a 7-1/2" x 7-1/2" piece of Whimsy & Wonder Specialty Designer Series Paper. Place the card diagonally on the center of the paper. Fold in the side edges (3-1/2" edges of card). Fold up the bottom long edge and use Stampin' SEAL or Stampin' SEAL+ to adhere the bottom flap to the side flaps (don't adhere to the card!). Add Stampin' SEAL to the edge of the remaining flap and seal closed. Add adhesive labels for adding an address if mailing.
