#### INSTRUCTIONS

- Stamp the words on the circle label die cut from the kit and on the Basic White.
- Using the Stampin' Cut and Emboss machine cut:  
3rd smallest circle from the Stylish Shapes dies from the box top layers  
Make a Tahitian Tide circle frame by cutting the 3rd & 4th smallest circles from the Stylish Shapes.  
Cut the 4th smallest circle from the confetti print card front panel.
- I added score lines at every 1/2" of the confetti card panel using the Simply Scored Tool.
- Using Seal Adhesive attach the circle frame and Window Sheet to the confetti panel.
- Wrap the Foam strip around the back window of the circle cut out.
- With the panel upside down, place sequins inside on the Window. Then attach word panel on top to seal the sequins inside.
- Wrap the ribbon around the front of the confetti panel.
- Assemble the card and box with Seal Adhesive. I used the Foam Strips to attach the shaker panel.
