

SWEET CITRUS FLOATING FRAMES CARD

INSTRUCTIONS

CUTS

- Basic Black Card Base: 8-1/2" x 5-1/2" score in half
- Shimmery White (2 front & inside): 5-1/4" x 4"
- Shimmery White (2 per card for embossing): 5-1/2" x 4-1/4"
- Recycled Printer Paper: 5-1/2" x 4-1/4"

INSTRUCTIONS

- Stamp the words on the front Shimmery White panels and heat emboss in black.
- Insert White Shimmer in the folder, line up the die inside the folder and run through the die cut machine. Do this twice per card. See video from tips.
- Color the images with the Stampin' Blends markers.
- Use a pen to trace the 4th smallest Stitched Rectangle die on the recycled printer paper.
- Line up all of the die cuts over the recycled paper.
 - Tips: This technique looks best when you go off the edge and have images cross over the line where the Rectangle Die will cut.
- Carefully cover with Press 'n Seal.
- Trim off the overhang on the edges with the Paper Trimmer.
- Cut the 4th smallest Stitched Rectangle die from the center.
- Carefully peel off the recycled paper from the back of the panel.
- Attach Stampin' Dimensionals to the back of each cut out and peel the backing off each dimensional.
- Carefully line up the Press 'n Seal panel over the card base and attach.
 - Tip: See the video for a tip on how to use the Silicon Mat to make lining up easier.
- Attach embellishment dots.
