FUN IN THE SUN FOLD FLAT Z CARD

SEE MY PRE-ORDER VIDEO FOR HOW TO MAKE THIS FOLD

CUTS & INSTRUCTIONS

- Basic White Cardbase: 11" x 4-1/4"
  - Score at 5-1/2" & 2-3/4"
  - Die cut the top of the front side with the edgelit. I used the Around the Bend scallop edgelit but I think Basic Borders would look better.
- Front Beach Panel: 5-1/2" across created with 2 beach scene panes from the kit
  - I didn't cut the height, the widths are 3-1/2" & 2"
  - Attach them to the front quarter
  - Attach the surf boards over the top to hide the seam.
- Inside Beach Scene:
  - Cut an envelope to 5-1/2" x 3" for the blue. Then cut the top with the same scallop edgelit.
  - I cut the sand from the front of one of the card bases and attached over the blue.
- Stamp the words on one of the white labels and attach with the crab to the card with Stampin' Dimensionals.
- Attach the palm trees die cuts to the inside with Stampin' Dimensionals.
- Die cut the gulls from Basic Gray and the Waves Dies and attach to the card. Tip: attach an Adhesive Sheet to the Basic Gray before cutting.
