

DRACULA BAT WING BOX

SEE SHORT VIDEO FOR HOW TO MAKE THIS BOX

MEASUREMENTS

- Basic Black for box die cuts
- Basic Black Dracula Body: 4" x 4" scored at 1/2" & 3-1/2"
- Basic Black & Poppy Parade Wings (2 of each) 4" x 3"
- Scraps: Glow-in-the-Dark paper or Basic White & Poppy

INSTRUCTIONS

- Stamp and emboss the dracula face in black and words on Poppy scrap.
- Using the Stampin' Cut & Emboss Machine:
 - Using the label die cut the words on Poppy and a Glow panel for the body.
 - Cut the Dracula face with the coordinating die.
 - Attach a scrap of glow paper to Foam Adhesive and cut the word "Boo".
 - Emboss the box panels and body with the Distressed Tile 3D folder.
 - Emboss the Glow Label with the Strips Folder.
- Temporarily attach the Black and Poppy Wing panels.
- Punch the bat wings with the punches. I started with the Largest 2-3/8" at the top, the middle size @' for the middle and the smaller 1-3/4" for the bottom. Then trim the bottom to a point. TIP: Test out your punching on scrap printer paper before cutting your cardstock until you get it the way you want it.
- Detach the wings, then line up and attach the button magnets on the black wings.
- Attach the red wings to the black body. Trim any of the black tab overhang at the bottom.
- Attach the black wings.
- Color the Iridescent Ribbon with the Poppy Parade Stampin' Blends Marker and tie in a bow tie.
- Assemble the box and fill with candy.
