Basic White Card Base
5-1/4" x 5-1/4" - Scored at 2-5/8"
Cut a circle from Stylish Shapes out of the middle.

Using a circle die cut from the All the Best kit, cut a circle from the middle.

To emboss only the front, place the entire card base in the folder but only cover the front half with the #4 Embossing Plate.

Attach Gold Fold to Foam Adhesive and cut the "Love" die.

Attach flower die cuts around the circle wreath. Tip I used Foam Strips around the edge to make it easy.

Apply Seal + Adhesive around the front side 1/2 circle.

Attach the circle wreath to the card and finish embellishing with words and Butterflies.
