www.stampwithtami.com

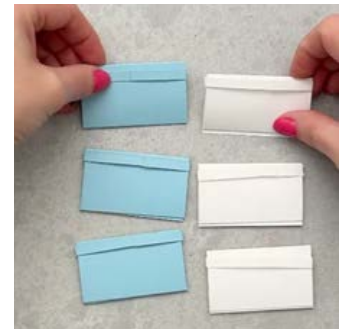

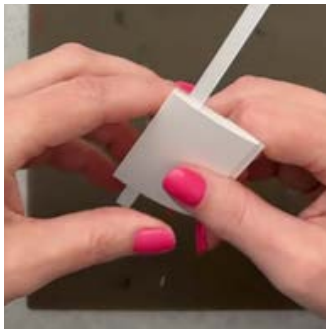

Cut out photo and "messages" graphics. I used a label from the Cracker & Treat Box Dies for the notification graphic. Punch a 1/2" Circle from White and Round the corners of the Black Base panel.

**MESSAGE PANELS**  
3-1/2" X 2-1/2"  
SCORE 1/2" & 2"

Apply Adhesive and fold all 6

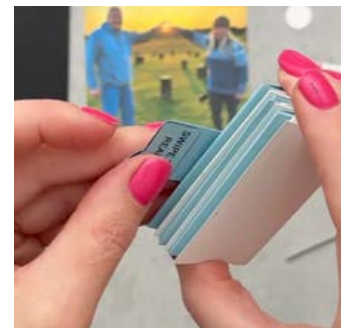

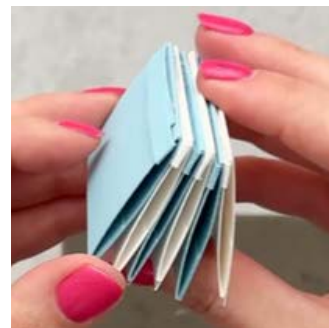

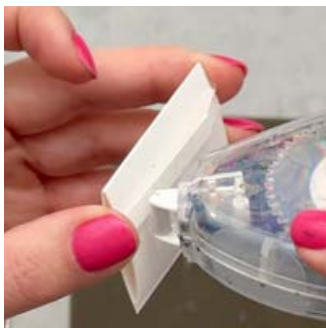

Folded Message Panels

Wrap a Strip Slider Mechanism through and around the back of each of the message panels.

Side View of the Message Panel

6 Message Panels with the Sliders attached.

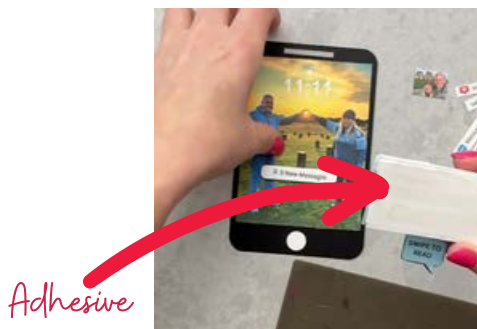

Attach Adhesive to the Slider Mechanism only.

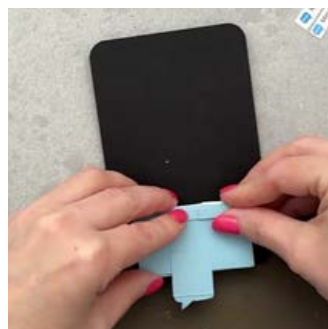

Attach the next panel.

Repeat last 2 steps until you have stacked all 6 Message Panels.

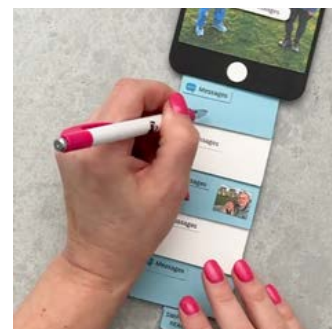

Attach Pull Tab and "swipe" word bubble. Then attach to the bottom of the stack.

Apply Adhesive to the front of the top White Message Panel.

Attach stack to the back of the card base.

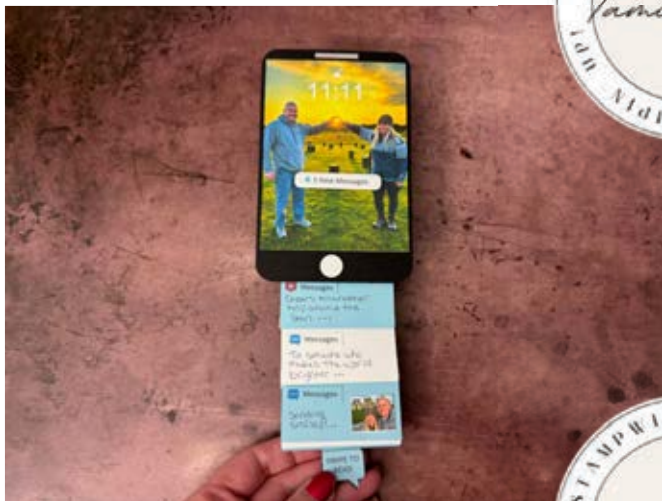

Attach "messages" graphics and write your greetings.
