  - Cut the tool pieces with the Trusty Tools Dies.
  - Cut the background Crumb Cake with the "peg board" pattern.
  - Emboss the tool box with the Timber Folder and the Box front and sides with the Metal Plate Folder.
- Instead of a crossbar in the bottom of the box, I used the pop up to hold the tool box and hung the tools off the box.
- Assemble the box with Seal +.
  - See video for help with box assembly. See templates and cutting guide.
  - Attach the die cuts to the strips and then to the crossbar.
- Optional: Attach the card base to the back.
