

I repurposed die cuts from the Filled with Joy Paper Pumpkin kit. Visit my blog for video sharing how to do the tree techniques.

CUTS

- Pool Party Card Base: 8-1/2" x 5-1/2" Scored in half
- Silver Foil: 5-1/4" x 4 (Or Deckled Rectangle Die)
- Early Espresso: 5" x 3-3/4" (Or Deckled Rectangle Die)
- Vanilla Inside: 5" x 3-3/4"

MERRY CHRISTMAS CARD

- The fabric is cut from a stocking from the kit. I attached it to a scrap of card stock.
- Using the Stampin' Cut & Emboss Machine:
 - Cut 4 solid snowflake dies from fabric and One of a Kind Dies. Tip: You don't have to have full snowflakes since they overhang. So you can use up scraps.
 - Cut the outline of the snowflakes from Silver Foil
 - Cut the outline and solid words "Merry" and "Christmas" from the Merry Tags & Peaceful Season Die Sets.
 - Emboss the background of the Early Espresso panel.
- Color the fabric trees with Pool Party Stampin' Blends Markers.
- Using the Sponge Dauber and Whisper White Craft ink, sponge over the top of the textured background.
- Attach the Silver solid snowflakes to the solid fabric snowflakes, then attach to the Espresso background.
- Trim off the die cut snowflake overhang.
- Assemble the card with Seal Adhesive and Dimensionals.
- Attach Ombre Dots.

MERRY TREE CARD

- The fabric is cut from a stocking from the kit. I attached it to a scrap of card stock.
- Using the Stampin' Cut & Emboss Machine:
 - Cut the fabric using the large tree in the Peaceful Evergreen Dies.
 - Cut smaller trees from the Pool Party tags that came in the kit. Cut them in half to layer on card.
 - Cut fabric bow dies from the striped fabric.
 - Emboss the background of the Lost Lagoon panel.
- Color the fabric trees with Stampin' Blends Markers. For the Ombre effect I started with the darkest color and ended with the lightest color on top.
- Using the Sponge Dauber and Whisper White craft Ink sponge the embossed background.
- Place a drop of White Craft Ink and mix with some water, then tap it over the Ombre Tree, smaller trees and the Vanilla panel for the front.
- Tap Wink of Stella over the top of the tree for shimmer.
- Assemble the bow and attach it and Rhinestones to the tree.
- Assemble the card with Seal Adhesive and Dimensionals.
