INSTRUCTIONS

- Cut and score per the instructions above.
- Stamp the words on Melon Mambo Scrap Paper and die cut with Stylish Shapes Banner.
 - Note the banner is not quite long enough for the words so you'll need to extend it by cutting one side and making sure the top cutting plate doesn't cover the tail over the words, then moving the die over to the end of the words and repeating.
- Using Paper Snips to cut out the flowers from the Lovely Garden Designer Series Paper.
- Attach the Designer Series Paper to the box panels before box base assembly.
- Attach sides and cross bar. Attach flowers and strips to the cross bar and back.
- Finish assembling the box with Seal + Adhesive.
- Attach Starburst Sequins.

TIP
If the taller flower strips need a little more stability cut a "pop up" 1/2" x 2-1/2" strip of card stock, score every 1/2", and attach to make a square. Then attach behind the flower.
