

ARCHED CROSS TRI-FOLD CARD & BIBLE TREAT BOX
 See the video on my blog for how to create these projects

ARCHED TRI-FOLD CARD

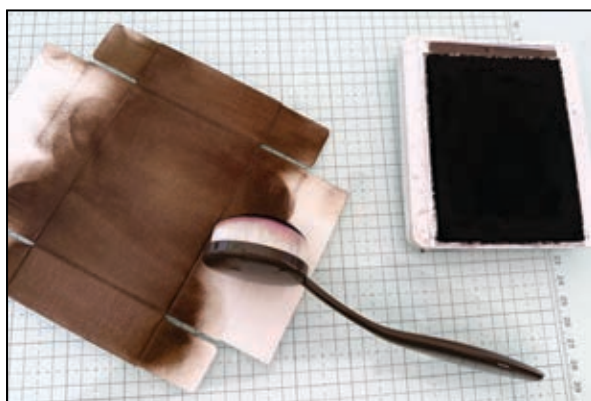

- If you would like to use the Bible Verse, use the pdf printable and print it on Basic White Cardstock.
- Using the Stampin' Cut & Emboss machine:
 - Cut the (2) cross pieces from Early Espresso.
 - Cut (6) of the largest Everyday Arches Die
 - Cut (3) of the 2nd largest Everyday Arches Die
 - If you are using the Bible Verse cut it with 1 of these.
 - Cut (4) Rectangle panels from the Nested Essentials Dies
 - Attach the (4) Nested Essentials Rectangle panels to 1 of the 2nd largest arches layers, then emboss with Timber 3D Folder.
- Cut (3) Basic White Layers for fold mechanisms :
 - 3" x 2" Scored on the short side at 1"
- Attach (3) of the largest Arches together with the fold mechanisms.
- Attach the other (3) of the largest Arches layers on the back to hide the fold mechanism.
- Attach the (3) 2nd largest Arches to the front. The embossed paneled door will be on the 1st arch, plain white in the middle and Bible verse for the 3rd layer.
- Attach the 2 cross layers together and attach to the front paneled door.

BIBLE BOOK TREAT BOX

- Using the Blending Brush apply Early Espresso ink to the 2 pieces of the Book Box.
 - Allow the ink to dry, or use Embossing gun to dry quicker.
 - Assemble the box.
- Stamp the words on Early Espresso cardstock and heat emboss in Gold.
- Using the Stampin' Cut & Emboss Machine:
 - Cut the words with the Stylish Shapes small banner die.
 - Cut the (2) cross pieces from Metallic Gold.
- Attach Velcro to the book strap to keep it closed and allow it to be reopened over and over.
- Attach the cross and words to the front of the box.

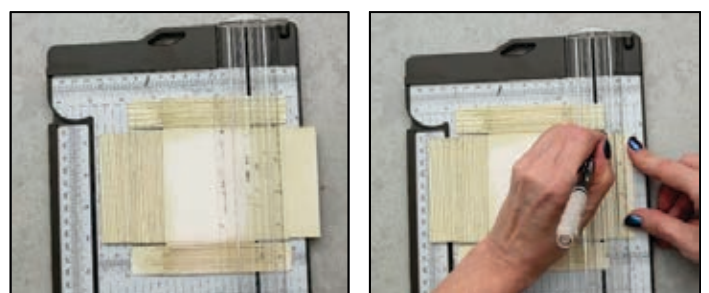

ADDING FAUX PAGES

On my original I colored both pieces of the book box with the Early Espresso Ink.

On the video I stepped this up but coloring the inner box piece with Basic Beige Ink and drawing lines on the edges with a Crumb Cake Stampin' Write Marker (Neutrals Collection).

I used the Paper Trimmer for the lines.
