Use Paper snips to cut the sentiment.

STEP 5

Layer and attach the DSP and Basic Beige on to the Early Espresso Card base. Attach the Tractor body, wagon, wheels and haystack, and banner using liquid glue. Use mini stampin dimensionals to attach the fenders and hen. Use liquid glue to attach the sentiment.

CARD #4 INSTRUCTIONS

MEASUREMENTS

Old Olive card base: 8-1/2" 'x 5 1/2",
scored at 4" and 8"

Old Olive: 3/4" X 3 1/4"

Basic Beige: 3 3/4" X 5"

DSP: 3 3/4" X 5 1/4"

Basic White: 3 1/2" X 3"

Crushed Curry: scrap with
adhesive sheet on back if desired

STEP 1

Cut pieces as directed above.

Note: Crushed Curry scrap is not shown in the photo.

STEP 2

Use Old Olive and Crushed Curry ink to stamp the cornstalks on the DSP as shown.

STEP 3

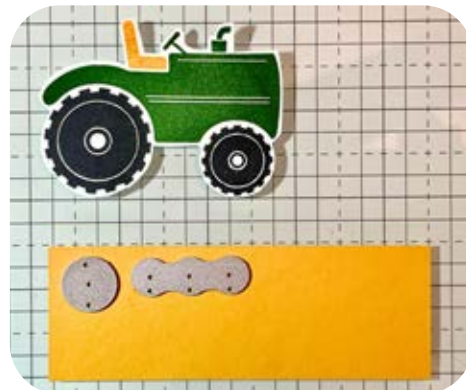

Stamp the tractor, wheels, and seat using Garden Green, Tuxedo Black Memento, and Crushed Curry Ink.

CARD #4 INSTRUCTIONS (CONTINUED)

STEP 4

Use Paper Snips to fussy cut the tractor, and die cut the hubcaps from a piece of Crushed Curry (use adhesive sheet on the back if desired). Attach the hubcaps to the tractor wheels.

STEP 5

Stamp the cornstalks and the sentiment on the Basic Beige cardstock as shown, using Old Olive and Crushed Curry Ink.

STEP 6

Attach the stamped DSP to the card front between the 4" and 8" score lines.

CARD #4 INSTRUCTIONS (CONTINUED)

STEP 7

Line the bottom of the card up at the 1 1/2" mark on your Stampin' Trimmer. Cut a slit in the card from the 1" mark down to the 4 1/2" mark.

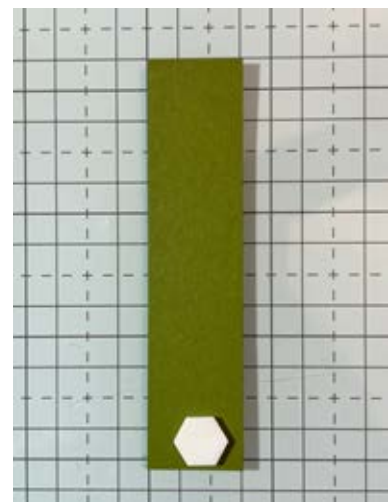

STEP 8

Attach Tear n' Tape to the 1/2" panel (below the 8" score line). Fold and burnish the score lines using your bone folder.

STEP 9

Attach a Stampin' Dimensional to the 3/4" X 3 1/4" piece of Old Olive card stock, leave the backing on the dimensional for now.

CARD #4 INSTRUCTIONS (CONTINUED)

STEP 10

Slide the strip (the mechanism) into the slit on the front of the card as shown, sliding it all the way to the left end of the slit that was created. Then holding it in place, flip the card over.....

STEP 11

Attach Tear n' Tape to the back of the mechanism as shown.

STEP 12

Remove the backing from the tear n' tape to attach the stamped Basic Beige piece to the mechanism, being sure the top edge of the Basic Beige and the Old Olive are aligned.

CARD #4 INSTRUCTIONS (CONTINUED)

STEP 13

Using the 1 3/4" circle punch, create a "finger hole" on the right side of the card. DON'T punch the basic beige layer.

STEP 14

Use a small hole punch to punch a hole in the Basic Beige piece. You will loop a ribbon through this in Step 16 so the recipient will know to pull the card out.

STEP 15

Remove the tear n' tape backing, and fold the card, enclosing the pull out mechanism inside. Remove the backing from the Stampin' Dimensional and attach the back wheel of the tractor. This is the ONLY Stampin' Dimensional that you will use to attach the tractor, so that it can move freely when slider is pulled.

CARD #4 INSTRUCTIONS (CONTINUED)

STEP 16

Use the Old Olive Stampin' Blend marker to color the White 1/4" ribbon. Allow to dry thoroughly, then loop through the hole punched in the Basic Beige piece.
