CREATING THE CARD BASE

- Mark the left side 3-1/2" from the bottom and cut from that mark to the top right corner as shown in #1.
- Tips for cutting Vellum (#2):
 - You can mark the left side 3-1/4" from the bottom and cut from mark to the top right **OR**
 - Cut the paper 3-1/4" x 8-1/2", then line up on the card and mark the sides 1/4" from the top. Then cut. I found this easier because it didn't need any shimming.

 - Stamp the flowers on the white layer for the inside.
