ASPENS OF GRATITUDE ANGLED TRI-FOLD SLIMLINE CARD

MEASUREMENTS

- **Golden Glow Cardbase:** 10-1/2" x 8-1/2" Score at 3-1/2" & 7"
- **Print / White Sections:**
 - 8-1/4" x 3-1/4" Mark Up from bottom 3-1/4"
 - 6-3/8" x 3-1/4" x 2 Mark Up from bottom 3-1/4"
 - 4-7/8" x 3-1/4" x 2 Mark Up from bottom 3-1/4"

CREATING THE CARD BASE

- 1 Mark the left side 3-1/2" from the bottom and cut from that mark to the top right corner as shown in #1.
- Tips for cutting Designer Paper (#2):
 - You can mark the left side 3-1/4" from the bottom and cut from mark to the top right **OR**
- 2 Cut the paper 3-1/4" x 8-1/2", then line up on the card and mark the sides 1/4" from the top. Then cut. I found this easier because it didn't need any shimming.

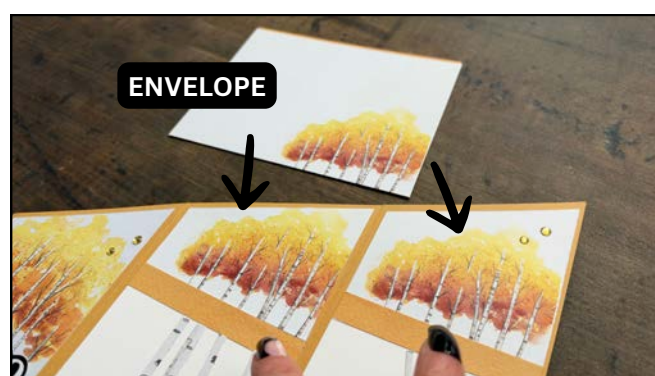

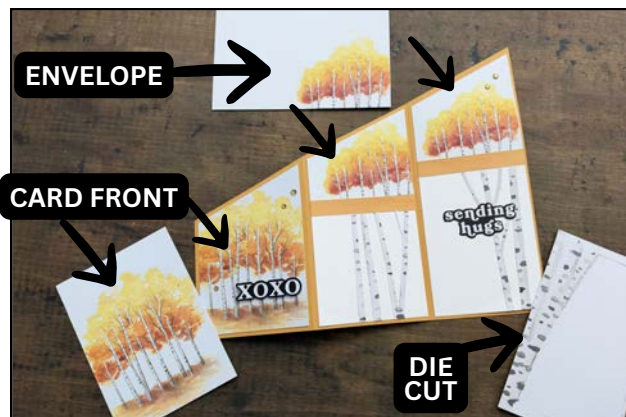

DECORATE THE CARD

- The 2nd and 3rd panels are too long for the card fronts so I pieced them on the tops of white layers and added a 1/2" strip to separate them. I used the card fronts for the print on the front and middle back layers. Envelope prints on the inside middle and back.
- On the middle back I cut and angled the white, then added the card front. I used a label from the kit to separate.
- Attach the die cut trees on the white section to give the illusion they are growing into the top printed area.
